**Re: Potential Liability – Lower Darby Creek Area Superfund Site
Operable Unit 1-Clearview Landfill
Darby Township, Delaware and Philadelphia Counties, Pennsylvania**

Dear Mr. Barber:

Please be advised that my office has been retained by Richard Heller in regards to your March 4, 2013 correspondence. My client is willing to participate in any negotiations concerning this site through any committees or with your office. My client has previously been contacted by the City of Philadelphia, Larry Silver, Esquire, in regards to this site and providing information about its history. I will probably refer Mr. Heller to counsel that has more experience with environmental litigation but at this time please communicate directly to my office.

Thank you for your attention.

Very truly yours,

ANDREW J. DONAGHY
